Bond Cycle: Process Timeline

Manor ISD

Next Bond Cycle

Bond Program Context

In November 2025, the Manor ISD bond election did not pass.

- Facility and program needs identified in the bond remain.
- Reevaluating the BTE Facility Condition Index (FCI) score and determining whether to renovate or construct a new facility.

Manor ISD

Next Bond Cycle

Current Planning Efforts

Manor ISD is working with architects to re-evaluate projects.

- Construction costs are being reviewed.
- Cost estimates are being updated for any future bond proposal.
- Planning partners are scheduled for on-site visits this month (May 2026).

Manor ISD

Next Bond Cycle

Community Review & Engagement

Meetings are being scheduled with the Community Facilities Committee.

- The MISD Facilities Advisory committee will review an updated list of potential bond projects. FAC scheduled to meet on May 19, 2026.
- Feedback from surveys and focus groups will guide revisions.

Project List Updates

More detailed information is being added to the project list.

- The expansion of Shadowglen Elementary School has been removed.
Demographer reports show expansion at SGES can be deferred to a future bond.
- Long-Term Land Acquisition for future district needs.
- Expansion of MHS Special Education “Farmhouse @ MHS” 18+ Program
