

Agreement for the Purchase of Attendance Credit (Netting Chapter 48 Funding)

This agreement is entered into pursuant to the Texas Education Code (TEC), Chapter 49, Subchapters A and D, and rules adopted by the commissioner of education as authorized by the TEC, §49.006. The purpose of this agreement is to enable the district to reduce its local revenue level to a level not to exceed the level established under TEC, §48.257 for the school year.

The school year to which this agreement applies is 2025-2026 (the "school year").

The agreement is for the Aledo Independent School District ("the district"), with a county-district number of 184-907, to purchase attendance credit from the state for the school year.

The local revenue level in excess of entitlement will be based on the commissioner's estimate of the cost of credit as determined under TEC, §49.153, using the district's projected maintenance and operations tax revenue that exceeds the level established under TEC, §48.257. Provisions in the TEC, §48.257(c), allow districts to offset the reduction of excess local revenue against state aid under Chapter 48, Education Code, that is not described by TEC, §48.266(a)(3) for the school year. A district that is subject to the reduction in excess local revenue agrees to offset its obligations against state aid in accordance with the provisions specified in the TEC, §48.257(c).

When near-final data are available following the close of the school year to which this agreement applies, the district's entitlement under Chapter 48 will be recalculated. If the district's state aid under Chapter 48, Education Code, that is not described by TEC, §48.266(a)(3) is less than the cost of recapture as determined by the commissioner in accordance with the TEC, §49.153, using near-final data, the district will be required to have an election and the recapture balance will be recovered in accordance with TEC, §48.272, by withholding subsequent allocations of state funds or requiring and obtaining a refund.

The actual cost of credit for the school year will be determined by the commissioner in accordance with the TEC, §49.153, when final data on the district's maintenance and operations tax revenue that exceeds the level established under TEC, §48.257 is available.

The cost of purchased attendance credit will be reduced for county appraisal district costs. The reduction will be computed in accordance with the TEC, §49.157. If the reduction exceeds the cost for the school year, the difference will be carried forward and applied to each subsequent year's cost until the total amount of the reduction has been exhausted.
