We have officially reached the hallway point of this school year. This means that we are halfway through the 2nd trimester. 2nd trimester progress grades have been calculated and sent home. Parent – Teacher conferences have taken place. If you were unable to come to conferences, remember that progress grades are not transcribed and can change before the end of the trimester—for the better and sometimes for the worse. Please contact teachers through phone or email and use Parent Assist to keep up on your student's progress.

### AFTER SCHOOL TUTORING AND HOMEWORK HELP

We are now offering after school homework help **four** nights a week from 3:45—5:45. The afterschool bus will transport students home on two of those nights—Monday and Wednesdays. Students who are staying for after-school tutoring and who are riding the bus are expected to stay in the classroom the entire time. Students who are walking, being picked up, or driving themselves may leave when they are finished working. **Students may not leave the campus and return later.** Students are given a 15 minute break and snack about 4:30. There is no cost for this snack.

No student will be allowed to ride the activity bus if they are not in an after school program or a sport. We will tell the bus drivers to take transport the student home, but a referral will be written, followed by consequences.

Students are required to sign in and out. If you are assuming your child is coming to after-school, you may call the school the following day to check on attendance. Many students could benefit from this extra help, so encourage your students to attend if they need the extra help.

Additionally, the computer lab is open every night between 3:30 and 4:45 Monday—Friday for student use. This time is intended for school related research and typing of reports and

## SYNERVOICE

After receiving an automated call concerning your student's absences from our new phone messaging system, Synervoice, please call the school in the morning to clear your student's absences. The number is 541-592-2116; ask for the attendance office. It is very important for you and your student to have these absences cleared. Students end up doing lunch detentions for uncleared absences.

We will sometimes use Synervoice to send out important messages about school closures and school events. When you get a call from the school using Synervoice, it is important that you say "hello" as this triggers the message. If you have voicemail, it will leave a message. If you have email registered with the school, we will often send emails as well.

## PROFICIENCY-BASED LEARNING

Three Rivers School District has made a professional development commitment which has involved grant-based support, teachers' personal and professional investment and Professional Learning Communities beginning to adopt a Proficiency-Based approach to most of our core subjects. This change is resulting from national and state guidelines giving more-explicit (and accountable) standards of content material and performance level through both performance and assessments. If your student is in one of those courses, it would be worth the time to review the syllabus from those courses, as well as the grading guidelines which may be reflected in your students' Progress Report grades.

In short, the shift involves the following key components:

1. Homework/Practice Work is given to help students through the exploration and acquisition phase of their learning. As they approach proficiency in a given standard, additional opportunities are provided for those who need more practice to be ready for the standard's assessment opportunities. Generally, this work comprises a smaller percentage of a student's grade and is graded on completion/participation.
2. Assessments are given as the larger portion of the student's grades. There are multiple chances to pass the standard and generally the grade is a reflection of either a composite score of the assessment efforts (a blend) or as the higher score. Assessments may take the form of speeches, projects, activities or traditional exams.
3. Grades may change quickly/dramatically based upon the number of assessments the course has covered to date and the makeup-retake opportunities the student has taken advantage of.

If your student is being assessed based on proficiency in one or more of their classes, your student's teachers will explain this in greater detail at the conference.

## Your child or teen can have health coverage.

We know an education is the best gift we can give our children. We also know that healthy kids learn better and healthy kids start with health coverage that their families can afford.

Healthy Kids is Oregon's newly expanded no-cost and low-cost health coverage program for uninsured kids and teens up to 19 years of age. Healthy Kids is comprehensive coverage offering medical, dental, vision, prescription, and behavioral health coverage.

No family makes too much money for Healthy Kids. Parent's income will determine whether a child is eligible for the no-cost or low-cost coverage option. For example, a family of four that earns as much as \$67,200 a year may qualify for low-cost coverage.

# MEET OUR NEW STAFF

## Mike Murphy

I recently joined the IVHS staff this season after working for two years as an Multi-Handicapped education assistant at Lorna Byrne Middle School. I am the student advocate for the freshmen class and also help supervise one of the LIVE—C classes. I am a familiar face at IVHS over the past several years as I coached the Football & Track teams. I also currently coach wrestling at LBMS.

## Aaron Skinner

I am the new Social Studies and Language Arts teacher. I am happy to be married to my wife Jessica, of eight years. I am a proud father of a four year old boy and an eight year old girl: Jett and Delaney. I have been coaching at the high school level for ten years and have been a teacher for two-plus years. I have lived the majority of my life in the Rogue Valley and am very happy and excited to be a part of the IV. I enjoy anything that gets me outdoors or into my garage. My goals this year are to make myself acquainted with everyone in the IV family and to be successful in the classroom and on the playing field.

## Linda Bitto

I am excited to say that I am the new ASPIRE Coordinator for IVHS. I have worked for many years at the Burbank Unified School District, starting off working with "severely emotionally disturbed" students in a closed campus. From there I transferred to Burbank High School (student population of 2,400) as their Senior Attendance Tech. After many years at the high school, I then transferred to the District Office working as a Senior Secretary for the Director of Student Services, serving the families of approximately 17,000 students. I have recently moved to O'Brien, and I am very pleased to have been hired as the ASPIRE Coordinator, which allows me to again work with high school students.

My hopes and goals are to meet with all IVHS students and talk with each of you about your after high school goals, hopes and dreams. My duty is to match you with an Advisor who will help you navigate the paperwork and meet deadlines in order to achieve your desire. Please stop by the "fishbowl" to say Hi and learn more about the Aspire program, I am usually around between 1:00 and 3:00 every day. I am so happy to work with you.

## Annette Smith

I enjoy living in the Illinois Valley which my wonderful husband and I have called home for 22 years. We are raising our two children who both attend Lorna Byrne Middle School here. We own several horses and enjoy riding them as well as horse camping, trail riding, rodeoing and hunting and fishing. I am very happy to be working here at Illinois Valley High School and look forward to getting to know everyone. I am currently working part-time in Foods Service but also substitute in other areas as needed.

## John Hampton

I am the new math teacher. I am happily married to my wife, Stephanie, as we just got married in August. Our first son, Michael, was born last week. I have been tutoring and teaching dance and math for many years and have been a certified teacher for two years I am excited to work with the IV community, students, and staff. I grew up in rural Alaska and moved down to the Rogue Valley about six years ago. I am an avid hunter, trapper, fisherman, and outdoorsman. My wife and I love to dance and compete at the national level. My goals this year are to get acquainted with everyone here at IV and to keep pushing myself to reach more and more students to get them to see the math in everyday life.

## PROGRAM TO HELP HOMELESS STUDENTS AND FAMILIES

Dear Parents/Guardians,

I am Barbara Gamble, the Family Advocate for Illinois Valley High School. The purpose of the Family Advocate is to help students overcome barriers to success. I will help students acquire jackets, clothes, school supplies, hygiene supplies, glasses, dental appointments, haircuts, etc. I will also advocate for students: For example, helping them get testing or counseling, acquiring birth certificates, arranging for extra tutoring and other related services.

In addition, there is a federal law called the **McKinney-Vento** which gives additional assistance to students that meet the federal definitions of "homeless" these include:

- Living in a home with no heat or running water
- Staying with friends or other relatives due to economic hardships or loss of housing
- Fleeing a domestic violence situation
- Living in a car, van, bus, tent or other non-permanent structure

Living in one of the above situations may also entitle a student to:

- Transportation to their home school should homelessness require a move
- Immediate enrollment, even if there are issues, such as not having in hand:
  - o A birth certificate(s) for the child (ren)
  - o Immunization forms

Please help me identify any students with specific needs that may be in your care. Do you have a student that may benefit from the services listed above? If so, please list the student's name and specific needs.

## INCLEMENT WEATHER PROCEDURES

If inclement weather exists, or is forecast to exist in our school district the feasibility of providing home-to-school transportation will be discussed between the First Student busing Manager and the Director of Transportation no later than 5:30 AM.

The Director of Transportation will recommend a course of action (delay the start of school(s), close school(s), or keep school(s) open) to the Superintendent.

Utilizing the new *Synrevoice* automated calling system, all staff, parents, substitute teachers and media will be notified of the decision. The calling system sends messages both by e-mails and telephone calls (*these calls could begin as early as 5:30 AM*).

***Important note about the calling system:*** It is voice activated, so the system must hear a voice when calling. This can be a live person answering the phone, your voice mail, or an answering machine. But it will not activate simply upon lifting the receiver on the phone and just listening without saying anything.

**This is an automated system; an attempt to call back the identified number will not be successful. Please take the time to listen to any message left in its entirety.**

All closures and/or delays will also be posted on our District website.

- If a two-hour delay is announced in a particular school or area, then school will start two hours later than the regularly scheduled time. All bus pick-up times will be two hours later than normal. School will conclude at its regular time.
- You are also advised to tune in to radio stations KAJO, KLDR, KRWQ and KBOY and TV stations KOB (5), KDRV (12) and KTVL (10) for updates and in the event you don't have phone or internet service.
- Athletic activities, school events and other scheduled field trips could be canceled if inclement weather is a concern.
- Sometimes weather conditions leave some roads blocked or unsafe to travel, but school is still being held. Under these circumstances "straight line routes" will be run. Please refer to the "Straight Line Bus Route" attachment for your attendance area for this information.
- If you live on one of the roads the buses cannot travel, you may bring your student to the nearest intersection of the main road traveled. This will also be the stop for the afternoon drop off.
