**SUBJECT:**

Consider approval of district grading and reporting handbooks for elementary and secondary campuses for the 2025-2026 school year.

**RATIONALE:**

To provide guidelines for campuses and parents on how student work will be graded. The handbooks have been updated to reflect the campus configuration changes.

**RECOMMENDATION:**

The administration recommends the Board approve the district grading and reporting handbooks for the elementary and secondary campuses for the 2025-2026 school year.
