## Teacher Assistance Proposal STEM-CAN Supporters, Inc.

To enhance your educational effectiveness STEM-CAN Supporters (SCS) is offering direct financial assistance to teachers in regular or traditional neighborhood public schools in Southern Arizona. If you are a teacher in such a traditional public school

(not charter nor magnet), you may apply for up to \$600. Your Principal's expressed approval of the project is necessary. (To electronically complete this form, set your cursor at each location of \*\*\*, type your answers, and return as an email attachment with Subject line "Teacher Application Proposal." Please cc your application to your Principal.)

### PROPOSAL details:

1. What is something that you would like very much to do for or with your students but you cannot currently afford to do it? I would truly love to set up a STEM maker space for my classroom. There are so many things that I would love to have available for my third graders to use to create, build, explore, and discover- but I simply cannot afford to purchase the materials I need for the space. I am looking to create a supply of materials that can be used for many years to come and only reordered occasionally after using them for many stem projects. I know that next year I will have 2 new teachers on my team, and I plan to be someone that they can come to if they need supplies for stem-related activities and lessons as well. My school has little funding for 'extra' classroom supplies on top of pencils, folders, binders, etc. I believe that building toys, art supplies, and creative materials are just as important when educating well-rounded students and children. These supplies can often be more expensive and we don't get them donated by parents either. I have had many students come through my room who have never even gotten a chance to use Legos, playdoh, masking tape rolls, and post-its, etc in their home or at school because their parents and/or previous teachers could not afford them. I can use these supplies to teach Science, Technology, Engineering, and Math- and also connect it to our language arts and social studies learning. I look forward to given my students more opportunities to work with others and collaborate using these materials. I have many students that would also benefit from being given a space to be creative, to use their hands and fine motor skills, and to discover new things and new knowledge from learning in a maker space environment.

2. In 200 words or less, describe this project, listing the estimated costs of the items of the planned project totaling up to \$600.

I am looking to purchase supplies dedicated to STEM classroom lessons, geared toward being used by 25-30 3<sup>rd</sup> graders. I am planning to have supplies on hand that will give options to the children to create, make, and explore many different materials.

#### Approx. Prices for Supplies/Items Needed:

Washable Markers (456 ct.)	\$88	Magnets	\$17
Classic Legos (790 ct.)	\$48	Ziploc Baggies	\$16
Colored Tape Rolls (10 ct.) w/ Dispenser	\$47	Pipe Cleaners/Google Eyes/Pompoms	\$12
Assorted Scissors (24 ct.) w/ Carrier	\$44	Rubber Bands	\$12
Post-It Notes (42 pads)	\$41	White Liquid Glue	\$11
Clear Scotch Tape (24 rolls)	\$30	Borax	\$10
Masking Tape/Duct Tape	\$30	Corn Starch	\$10
Clear Storage Bins (12 ct.)	\$25	Paper Clips	\$10
Play-Doh (36 ct.)	\$22	Mini Lo-Temp Hot Glue Gun (3 ct.)	\$9
Construction Paper	\$20	Mini Hot Glue Sticks	\$9
Plastic Wrap/Aluminum Foil	\$20	Glue Sticks	\$8

3. TOTAL cost of proposal --- \$539

4. My Principal reviewed and approved this project on or about (date Principal approved) --- 1/23/2018

5. Teacher/Applicant—Ellen Gauthier Room/grade-- 3<sup>rd</sup> Grade Rm 16 email—egauthier@amphi.com

6. Principal—Erika Vasas email-- evasas@amphi.com Phone-- 520-696-6517

7. Public School name—Lulu Walker Elementary School District—Amphitheater School District

8. School mailing address-- 1750 W Roller Coaster Rd, Tucson, AZ 85704

9. **Email** this completed form to stem-can@msn.com, Subject Teacher Application Proposal, and cc your principal.

**STEM-Community Action Network Supporters (SCS) --- basic principles:**

SCS is deeply convinced 'it takes a community' to educate its own youngsters maturely.

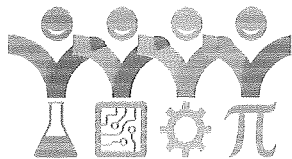

All SCS funds and efforts are motivated "For 100% graduation of caring students."

All SCS efforts are approved by the clear authority of the local Public School Principal.

No one knows a school community's needs and joys better than that community itself.

No one, no one, really cares as much about a community's success as that community does.

**All SCS funds are directed to enhancing cooperation within the Public School Community**

Lulu Walker Elementary School  
1750 W. Roller Coaster Rd.  
Tucson, AZ 85704

Dear Ellen (and Erika):

We are proud to support your principal-approved project as we continue Phase One of our STEM-CAN program to support your Public School Community. Enclosed find check #1569 for \$539.00 made to your school for the direct funding of this praiseworthy project.

Please deliver this check to your principal/school financial officer A.S.A.P.

Thanks for your dedication to a challenging job,

Stephen Uhl, Ph.D.  
President
