Subject: Act on Election of Officers

Contact Person: Dr. Brad Schnautz, Superintendent

Policy/Code: BDAA(LEGAL)

Priority and Performance Objective: Priority 4: Strong Financial Stewardship and Internal System Efficiency
Objective 4.2: Effective and Efficient District Operations

Summary: Trustees shall elect a president, vice-president, and secretary of the Board. Officers are to be elected by majority vote of the members present and voting. The presiding officer will take nominations and facilitate the election of a president, vice-president, and secretary. The presiding officer will announce that the Trustees will elect officers and then ask if there are any nominations for president.

Any member may nominate any other member to serve as president. A second is not required. After the first nomination, the presiding officer will ask for other nominations. After all nominations, Trustees will vote for the candidate of their choice. Once a candidate has more than half the votes, the new president will be declared. After election of a president, the Board will follow the same procedure to elect a vice-president with the newly elected president presiding. After election of a vice-president, the Board will follow the same procedure to elect a secretary.
