Ryan High School Football Program

On Friday, Jan. 15, the Ryan High Football team earned the school's third state championship, winning the 2020 5A Division I tital game against Cedar Park High School. The win capped a perfect season, finishing with a perfect 15-0 record. School history was made during the Texas University Interscholastic League's 100th Celebration, as this is the third state title for the program.

The Ryan High program includes 98 players on varsity and junior varsity, 14 trainers/student trainers and is supported by 31 coaches, including high school, middle school and scouting support.

Ten student athletes were recognized as Academic All-State students. Six team members signed national letters of intent on Feb. 3 to play at the college level.

Dave Henigan, varsity head football coach of the Ryan High School, has been named the 2020 Tom Landry Coach of the Year. Given annually since 1991, Coach Henigan is the 31st recipient of the prestigious award.

Senior quarterback Seth Henigan, who graduated early and is playing football at The University of Memphis, won the game's Offensive MVP award. Senior defensive back Ty Marsh, a University of Hawaii commit, garnered Defensive MVP honors.

A celebration to honor the program is planned later this spring when the State Championship rings are ready for presentation.

The team and coaches include:

Ryan High Coaches

Dave Henigan
