TO: Dr. Randy A. Liepa  
Superintendent

FROM: Sheila A. Alles

**SUBJECT: Presentation of Summer School Programs for Students**

Please include an opportunity for me to provide the Board of Education with an overview of five summer school programs that were available to our elementary, middle and high school students this past summer. Please consider adding this topic to the Instruction portion of the Monday, August 18, 2014, agenda of the Board of Education Meeting.

Thank you for your consideration of this request.
