Garibaldi Grade School & Hope Chest

## Funding

Thanks for your generous monthly donations. Because of your backing we can provide:

- Immediate support to students around clothing, shoes, hygiene items, and food
- **52** bags of weekend food sent home every Friday (2 breakfasts, 2 lunches, fruit, and a nutritious snack)
- Assist with larger items as needs arise (space heaters for homes, blankets)

## Impact

You are making a difference!

- Reduced food insecurity for 38% of GGS student households (who are at highest risk for food insecurity)
- Empowered students to prep and eat their own food if needed on weekends
- Higher level of focus and attention in all students thanks to having their basic needs met

**GGG is grateful for your support!**
