Student Learning & Technology

- There is no longer a "virtual learning option" offered.
- Virtual learning may be requested by parents and may be provided in individual and special circumstances, at the discretion of the principal.
- Canvas is used by students, staff, and parents as our LMS. Canvas extends the classroom beyond the building, so students can connect with learning at home.
- iPads and MacBooks will be available, Grades 1-12.
- Academic interventions are provided to students who have been identified as being behind learning expectations.

Events & Activities

- Specific information is shared prior to events (Homecoming, Dads & Donuts, Poetry Readings, etc.) about how parents can participate.
- Classroom visitors remain limited.
- Follow WIAA Fall Sports Guidance.

Student Pick Up & Drop Off

- Student Pick Up & Drop Off has been redesigned for the 2021-22 school year.
- Parents entrance to the buildings is limited before and after school to limit congestion in the entries.
