May Board Report

Transition Meetings:

The JH/HS special education departments have been busy with transition meetings to prepare students moving from Gardner to the JH and JH to the HS. The meetings are held at the students "new" school where teams can introduce themselves, answer questions and review/update IEP's for the different school environment.

Extended School Year:

Vicky and I continue to finalize extended school year plans, transportation, staffing, etc. for each school in the district.

26/27 School Year:

Reviewing our students' needs, preparing schedules, reviewing curriculum and end of the year meetings have all been taking place as we prepare to end this school year with staff.
