Focus on Belonging & Connections

A sense of belonging significantly improves student attendance. When students feel connected to caring and trusted adults, their attendance improves, as they are more likely to feel valued and supported.

I Love YC!

Every day at York Center reminds me why I love being a teacher. Our students are curious, kind, and full of energy, and our staff truly feels like a family. We support one another, celebrate each other's wins, and work together to make our school a place where every child feels seen, valued, and inspired to learn. I'm so proud to be a part of the YC community! - Ms. Martinez

I love York Center

In York center, I feel included in my classroom and school. And I feel a bit more confident to speak more in my class, I feel like if I ever had a problem, I'd be able to speak to my teacher about it.

York Center by Isabella

I love York Center because there are kind people and they even teach me new things I haven't learned yet. They even make me feel included.

Student Surprise Spirit Days

Students asked if they could have a surprise spirit day where teachers had to guess the theme!

These are now monthly.
