

Superintendent

Beaverton School District

Beaverton, OR

Beaverton School District is seeking an outstanding, collaborative leader as its new Superintendent of Schools to serve a diverse student population of 39,000 in 52 schools. This high-caliber District has been nationally recognized for its strong student achievement, talented staff, innovative programs, and engaged, supportive community. The District's main focus is providing challenging educational opportunities for all its students in safe, supportive, and collaborative learning environments. To learn more about the Beaverton School District visit: www.beaverton.k12.or.us.

Beaverton is a thriving community situated in the heart of one of the fastest growing counties in suburban Portland. It has a robust business climate serving as home to numerous companies including Nike, Intel and Columbia Sportswear, as well as being surrounded by some the Northwest's most treasured natural resources and recreational areas.

A highly competitive salary and benefits package will be offered. Position begins July 1, 2011. Screening is ongoing with a slate presented in late February 2011. To apply visit: www.hyasupersearches.com.
