Dear Superintendent and President of the Board of Trustees:

This is to inform you that the following charter school intends to submit an amendment request to the commissioner of education:

**INSPIRED VISION ACADEMY
057830
8225 Bruton Rd.
Dallas, TX 75217**

This specific amendment will allow us to add a campus location in Pleasant Grove community of Dallas and expand enrollment to accommodate the additional students in that community that are on our waiting lists. We are asking for an expansion of our geographic boundary to allow our staff members' children to attend our schools.

As part of the amendment process, charter schools are required to notify any districts that are likely to be affected by the change. The enclosed Statement of Impact form indicates the type of amendment request being made.

Specifically, Texas Education Agency guidelines require that the Statement of Impact form be sent to each district that may be affected. Information is requested if the proposed change may adversely impact a district financially or if the proposed change may impact the student enrollment of a district in a manner that impairs the district's ability to comply with a court order. The enclosed form may be completed by any district that may be affected, signed by the district's board president and superintendent, and returned to the Texas Education Agency, Charter Schools Division, 1701 North Congress Avenue, Austin, Texas 78701-1494.

Please review the enclosed form and notify the Texas Education Agency if your district will be impacted by the request.

Sincerely,

Alan Seay, EdD
Superintendent
