## Student Attendance

Big Sky School	Glendale School
August: 97.7%	August: 100%
September: 96.6%	September: 96.4%
October: 97.7%	October: 95.3%
November: 97.2%	November: 93.8%
December: 99.2%	December: 98.3%
January: 97.4%	January: 97.4%
February:	February:
March:	March:

April:	April:
May:	May:

### Strengths:

Big Sky & Glendale Colony Schools had 100% completion rate in their MAST assessments during the statewide testing window #2. Also, they have 100% completion of the Access for ELLs English Language Learner assessment.

### Needs:

Glendale Colony School will be taking the NAEP (National Assessment of Educational Progress) in March. Ms. Whitford and Mrs. Rappold will be working with the NAEP assessor to administer the NAEP assessment to 3, 8th grade students.

Okii,

We had a visit from my favorite person, Mr. Loren Racine. After listening to some traditional Blackfeet stories, we went outside to play Shinny. Mr. Racine said that he had never seen it being played with so much intensity. It was quite fun. Although it was a cold and windy morning, the students did not notice. They were busy having fun.

Academically, I proved to the students one reason why they needed to learn Algebra. They had an 'Ah Ha' moment when learning that a relation of a model to a real size required some algebraic thinking. It was quite fun seeing their expressions when I told them that their pig barn started with an idea, a scale drawing, and some Algebra.

I hope all is well with you. Please stay warm, and have a nice day.

Sincerely,

Sherina Whitford  
Glendale Colony

We have had a 97% attendance rate for the second quarter. All report cards were handed out. We were able to complete the Aimsweb testing and the second MAST test.

We have had school visits from Ruth Shea teaching social-emotional and library lessons. The Glacier National Park Rangers also visited in January and we conducted 2-emergency drills this month. Thank you
