Our school receives federal funds for Title One programs that are part of the No Child Left Behind Act. Throughout the school year, we will continue to provide you with important information about this law and your child's education.

You have the right to request information regarding the professional qualifications of your child's classroom teacher. When you request this information, the district will provide you with this information in a timely manner. You have the right to request the following information.

- A. If the teacher has met state licensing requirements for the grade level and subjects in which the teacher is providing instruction.
- B. If the teacher is teaching under an emergency status for which state licensing requirements have been waved.
- C. The type of college degree and major of the teacher and the field of discipline for any graduate degrees and certificates.
- D. If your child is receiving Title One services from Para-professionals and, if so, his/her qualification.

If you would like this information, please contact the school at 479-6433

Education of All Disabled Children/Young Adults

Public Law 105.17 know as I.D.E.A. (Individualized Disability Education Act) requires that school districts provide a free and appropriate education to all disabled children/young adults ages 0 to 21.

Three Rivers School District requests the identification of any disabled children/young adults between the ages of 0 to 21, who are not enrolled or currently being served by the district school.

If you know of any disabled children/young adults between the ages of 1 to 21 who are not receiving educational services, please call the Special Education Department of the Three Rivers School District. The phone number is 862-3111.

PARENT REMINDERS

If your child is absent please notify the school office by 8:00 a.m.

We now have an answering machine for early callers. Please state your child's name, teacher and reason for absence.

If your child is to go home with a friend, we need notes from both sets of parents. This way we know everyone involved is aware.

Your help is greatly appreciated.

HOMEWORK

We appreciate you making an effort to keep your child caught up with his/her schoolwork when your child needs to stay home because of illness.

If it is necessary to seek classroom assignments for your child, please notify the office before making contact with the teacher. The teacher needs time to gather the appropriate assignments.

If you call in the morning before 8:30 a.m., the work will be ready for you after 2:35 p.m. that afternoon. If you call later than 8:30 a.m. in the morning, the assignments will be ready the following morning.

Thank you for your understanding and cooperation. Remember to pick up the requested assignment and be sure your child turns their assignment in when they return to school.

Perfect Attendance Incentive Program

Each month students will be awarded for perfect attendance.

Perfect attendance qualifies as; no absences, no tardies, and not being checked out early.

Remember: a child is tardy if they check in after 7:40 a.m.
