January 2018 Board Report

Curriculum and Campus Updates

Welcome 2018! Our prekindergarten students look forward to a new semester filled with learning! This month we will focus on beginning and ending letter sounds, rhyming, on-set rime and blending sounds. Over the next two weeks, we will complete our middle of the year progress monitoring, so we encourage all parents to log into the CLI parent portal and complete activities targeted to the needs of each child to ensure growth. See our numerous scheduled events below and join us when you can. Be sure to register for the Hill Country Fair online at <http://hillcountryfair.org>.

Professional Development

This month we have two days designated for professional development. At Franklin Elementary, we will participate in a staff circle to review restorative practices. Our team will analyze district data with a strong focus on third grade. Other topics of study include the growth mindset, prek guideline training, examining quality work, exceeding district goals, and creating conflict corners.
