

Meeting Date: April 14, 2026

Agenda Topic: Head Start February Compliance Reports

Type of Item: Consent

Guiding Outcome: Reciprocal Family & Community Partnerships

Summary: The Ann Windle Head Start Policy Council met to gain required approval on monthly Head Start Program Information Reports, Attendance, Budget, and Meal Counts for the Month of February.

Background Information/  
Previous Board Action: The Federal Head Start Program requires both Policy Council and School Board Approval of Program Information Reports, Enrollment Reports, Attendance Reports, Monthly Budget Reports, and Meal Counts.

Potential Operational Impact: The Head Start Program aims to develop parent-school-community partnerships. As parents serve on the Policy Council, they take an active role in collaborating, communicating and decision-making in their child's education.

Potential Financial Impact: Approval allows Denton ISD to continue to receive the Head Start Federal Grant which supports Head Start students, families, and staff.

Recommendation (Consent or  
New Business Only): Recommendation is to Approve the Head Start Compliance Reports for February

Division: Business & Administrative Services

Department: Federal Programs

Submitted By: Jairia Diggs, Director of Federal Programs and School Improvement
