Cossatot River School District needs to seek a waiver of Standard for Accreditation 1-A.5 Class Size, which requires that “Each public school district shall comply with the laws of the State of Arkansas and the rules of the Division regarding class size and teaching load.” We are seeking a waiver under Ark. Code Ann. 6-15-202(b)(2)(A) for this school year only, due to hiring a teacher right now not being in the budget.

Currently, we have two third grade classrooms at Cossatot River Elementary School. These classrooms were at max capacity, 25 students each, until yesterday when we enrolled another third grader. Now that we are at 26 students in one of our classrooms, we are in need of a waiver.

If you have any questions, please feel free to contact me. Thank you in advance for your consideration in this matter.
