Board Meeting Date: June

Agenda #

Staff/Administrator: Matt Kennedy

Superintendent: Dan Huber-Kantola

Type of Item: ☐ Informational ☒ Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

I have been asked by the school district to attend an A.P. World History seminar July 19th - 22nd then develop A.P. curriculum so that we can offer A.P. World to our sophmores next year. The conference is in San Fransisco, I will be driving down on Sunday the 18th and staying in a hotel for the week, leaving on the 22nd. The cost of attending the workshop will be covered by Title IIA funds.

Provide history/background information on your proposal.

Our school would like to create a section of A.P. World History for our high achieving sophmores. I have been teaching the majority of the regular World History for the past 2 years and have been asked to prepare curriculum and teach an A.P. course next year.

List the advantages of your proposal:

Attending this conference will be vital in providing my the concepts, materials, and guidance as I create curriculum for my own course. In the 4 day workshop I will gain an understanding about the philosophy behind A.P. courses, and gain access to necessary materials, outlines, and examples for units and lessons.

List possible disadvantages of your proposal:

Unsure

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

There are 1 day workshops that are offered throughout the country, however the consensus is that one day is not enough time to gain full access to the materials and resources necessary for developing the curriculum. The one day conferences tend to cost a lot of money and provide very little support going forward.
