

Recommend Kim Bruesell for 1.0 Special Education Replacement Teacher for

Kim received her undergraduate degree from the University Wisconsin-Milwaukee, attaining a Bachelor's of Science degree with an emphasis in Psychology. Kim continued with her education after working in the social work field. She holds an 801 cross categorical teaching license.

While working on her licensure program at the University Wisconsin-Milwaukee for special education, Kim was employed for three years at Wisconsin Hills Middle School in Brookfield. Kim served as a special education teaching assistant. Kim gained valuable experience modifying curriculum for a wide range of special education students. The teachers at Wisconsin Hills stated that often times they programmed Kim with the most difficult students because of her skill and knowledge.

Later, Kim effectively handled the day to day teaching responsibilities, in an extremely effective manner, while completing her student teaching. Kim developed positive relationships with her students, parents and fellow faculty. She was able to teach students how to read and collaborated with colleagues to carry out Individual Education Programs in the least restrictive environment. Kim excelled in reading instruction and possesses a vast knowledge of how to instruct struggling learners at the middle school level.
