Re: Recommendation to hire the following: Skylar McGill as Classroom Teacher

I am excited to recommend Skylar McGill for a classroom teacher position. Skylar's experience as a former collegiate athlete has instilled in her a strong work ethic, resilience, and a champion's mindset—qualities that align perfectly with our school's mission.

Skylar's initiative and dedication to student success are evident in her ability to deliver targeted interventions that effectively close learning gaps. Her proactive approach ensures that every student receives the support needed to thrive academically and socially. Additionally, her calm and approachable demeanor allows her to build meaningful relationships with students, fostering a safe and supportive classroom environment.

Skylar's commitment to excellence, passion for teaching, and ability to motivate and connect with students make her an ideal addition to our team. I am confident she will make a significant impact on our school community.
