Date	June 16, 2025
Agenda Item	Consider and take possible action regarding the Master Security Services Agreement with Campus Guardian Angel; including possible delegation of authority.
Policy Reference	
Strategic Goal	Staff and Student Safety
Department	Safety and Security

Recommendation:

Consider and approve the master security services agreement between Boerne ISD and Campus Guardian Angel (CGA).

Summary:

The Campus Guardian Angel program master security services agreement will allow the deployment of their silent panic alarm technology and drone response program as a proof of concept within Boerne ISD facilities. The master security services agreement will cover a mutually agreed upon period, in a campus designated by Boerne ISD.

Rationale:

Boerne ISD has been working with CGA since January of 2025 to implement a proof of concept for their school safety platform utilizing remotely operated drones to respond to a critical incident in our campuses. Present the findings to the BISD Board and take questions from the Board Members on the process and utilization.

Recommended by:

Dr. Kristin Craft, Superintendent

Submitted by:

Rick Goodrich, Chief of Safety and Security

Suggested Motion:

I move that the Board approve the Master Security Services Agreement with Campus Guardian Angel, and delegate authority to the Superintendent or her designee to negotiate and execute the Master Security Services Agreement in a form approved by legal counsel.
