U.I.S.D SP-ED Art Dept:

To whom it may concern:

After I closed Adams Ceramics I stayed with a large inventory. Now I wish to donate my inventory of ceramic molds, brushes, books, decals and kiln furniture to U.I.S.D. High School SP-ED Art. Dept.

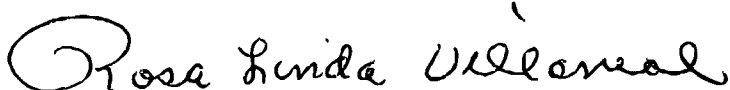

I have spent most of my life teaching children in ceramics and other areas as well. It is my love for children that leads me to give them to an organization that will continue to do this work.

I have found that by teaching children a love of art, we will give them something with which they can occupy their time and efforts.

Many years ago I learned this trade from Mrs. Dunham. It is only fitting that I return something to the very people she loved so well.

Please accept this donation of about \$4,950.00 for our youth,

Sincerely,

Rosa Linda Villarreal

I would first like to thank Wal-Mart for donating funds to the United South High School Tennis program. Due to your generous funds we have been able to purchase items to benefit our program. I am asking again for your assistance for this upcoming 2008-2009 tennis season. If it is possible, our tennis program needs water jugs and some water bottles to help keep our athletes hydrated. Thank you again for all the support.
