ATHLETIC DIRECTOR AND ACTIVITIES REPORT

- A. Athletics: We ended on a great note. Our girls one the team title at the SOMSAC District championship for track and field this year. This is quite an achievement as we compete head to head against very large schools like Hedrick, Scenic and North Middle. We also had some highlights with our boy's taking the 4x4 for seventh grade. Our girl's 4x 100 also took first place (8th grade). We sent our 4x 100 girls' team, our best 8th grade boy's hurdler and one of our best girl's 8th runners to the State Middle school Championship. One student took fourth and fifth in the state in her events. Our hurdler took 14th and 17th in the state and another girl took 12th in the state. Overall, they did very well and we see growth for them in their high school futures! Go NVHS!
- B. We hosted our last dance on May 22nd. We introduced some cool dance lights to further enhance the dance experience for our students. Profits from the dance were used to support our 6th grade outdoor school and our student leadership program. Our leadership students decorated the gym for the dance and cleaned up after the dance. The dance was well attended and we had a good group of parent and community chaperones.
- C. Our 8th parents provided a wonderful transition dance for our 8th grade students last weekend at NVHS. The kids were so excited to be dressed up and enjoying the soon to be new school home. Behavior was good and the setting was enhanced by the wonderful parents who completely spearheaded this event. They turned this event into a lovely experience for the kids!
