SUMMARY:

This item requests approval for the quote from Lockstep Technology Group in the amount of \$200,107.20 for the purchase of the Ryan High School (RHS) Commons AV upgrade.

BOARD VALUE:

Growth & Management... In pursuit of excellence, we value demonstrating effective and efficient management of district resources and providing leadership and/or oversight to ensure District meets all fiscal, legal and regulatory requirements.

PREVIOUS BOARD ACTION:

On January 10, 2023, the Board of Trustees called for the 2023 bond election with the recommendation by the Bond Committee.

BACKGROUND INFORMATION:

Ryan High School currently has outdated and non-functional AV equipment in the commons area.

SIGNIFICANT ISSUES:

The video and sound in the RHS commons is outdated. The sound coming through the speakers is muffled and unintelligible. This makes it difficult for the students to hear important messages, thereby creating a potential security risk. To address the issue, the technology will be updated with an Absen video wall, four (4) Samsung TVs for digital signage, Extron sound systems, racks, controls, and Shure microphones. This purchase will be made utilizing TIPS Contract# 230901. This purchase is being brought for approval in accordance with the District's CH (local) policy.

FISCAL IMPLICATIONS:

The cost will be borne by the 2023 Bond Authorization.

BENEFIT OF ACTION:

The approval of this purchase will allow the Technology Department to upgrade the RHS commons.

SUPERINTENDENT'S RECOMMENDATION:

It is recommended that the quote from Lockstep Technology Group be approved.
