

FV 2024-2025 Site Council Agenda

Date: June 2, 2025

Site Members: Kaci Zaklan, Carly Hinkle, Morgan Reed, Kirssy Cartwright, Hilary Botti, Megan Parker, Ann McBride, Jessica Falkenhagen, Hailey Westbrook, Lauren Ammer

School Size: 244

School Safety:

- No new updates at this time.
- Working on sidewalk brightness with flood renovation
- Last fire drill Wednesday
- All other drills complete

Title I:

- Presented and reviewed Parent Involvement Plan
- Presented and reviewed Parent / Student / Teacher Compact
- No suggested changes were made

Parent Involvement

- PTO Balance is currently \$21,035
- The 5th grade teachers asked for \$115 for the new 5th grade wall where each kid signs their name for each year. This replaces the tiles. We had allotted \$600 for 5th grade activities which included the shirts and tiles. The cost of shirts has risen so they used the whole \$600 on shirts and need more for the markers. These won't need to be bought every year. Megan motions to approve the additional spending, Krissy seconded.
- Color Run Recap
- Playground Update - moving forward with ADA compliance. Will be completed in sections.
- Shed Plan - Asking Home Depot asking them to donate. 12x12 shed. Falkenhagen will send PTO a location. With seismic not happening so quickly there is time to not have items moved so soon.
- Garage Sale - Postponed
- Field Day Volunteers needed June 4th 7 - 11
- Elections for PTO. New Board was elected for 25-26.

Instruction

- State testing completed!
- Discussed the Data Assembly Celebration - growth was shown in ALL areas, ALL grade levels for both OSAS and District Assessments.

Culture

- Will continue working closely with the Culture Committee.
- Adding sub committees one includes Parent/Community involvement. A representative from that committee will join the site council next year.
- Next year we will focus our core value work on a full school wide approach and building a "plan book"
