Kelley Activities:

December 6th

Kelley students got to wear a holiday hat and show their Christmas spirit. The students had a great time.

Kelley Students also had a presentation by Rod Pruitt from Region 14 during PE classes on making good choices.

December 7th

Kelley Students sported their pajamas to school. The students theme for the day is “Cuddle up with a Good Book”. The kids and staff enjoyed wearing their PJ’s to school.

December 10th – 13th

The 2nd grade students went to CHS and working with Mrs. Merrell’s classes. Students were creative and made gingerbread houses. Big Thanks to CHS for working with our kids.

December 11th

Kelley PTO met in the library. Members discussed ideas for a book fair, playground equipment, and snacks for the Kelley Staff for Christmas.

December 13th

The Kelley Life Skills students had a Christmas Party in the Life Skills Building. The students worked hard to help with preparing treats for parents and staff.

December 14th

Kelley students had their yearly Christmas Music Programs. PK students kicked off the music festivities followed by Kinder, 1st Grade, and 2nd grade. Mrs. Mata did a great job working with the students.

December 17th & 18th

Kelley students went to a holiday movie at the 3M Movie Theater. The students got to watch Wreck it Ralph. The students enjoyed the movie, coke and popcorn.

December 20th

Kelley had their Christmas parties on Thursday afternoon. Students were super excited about the special day. We had lots of parents that were in attendance for the parties.

January 8-11

First and Second Grade students will be doing Mid Year TPRI Testing.

January 14th – 18th

Kindergarten Students will be doing Mid Year TPRI Testing.

Teacher Activities:

Shawna Shrode attended a Conscious Discipline Workshop at Region 14.

Christy Harris presented a Parent Meeting to 1st grade parents on how AR works and what it is. Parents received information that gave them a better understanding of the program.

Kelley staff met before Christmas and during the staff development day to discuss safety procedures. We made changes to morning duties and added extra personnel to monitor students. We have locked all doors except the Red front doors. We are still working on what is the best way to keep our students safe. We understand that what we are doing is different but we feel that this is what is best for kids.
