Bulldog Christmas Market

The 6th Annual Bulldog Christmas Market hosted by The Purple Dog Company will be on Thursday, November 30. This event continues to be a huge community event that kicks off the Christmas season, shows off different skill sets of the students, and brings out the entrepreneur in our students.

PreSAT, PreACT, TSIA2

Wylie High School students sat for the PreSAT in October and will sit for the PreACT and TSIA2 test in the upcoming weeks. These tests qualify students for scholarship, prepare students for the SAT and ACT, and help show that our students are college-ready.

Veterans Day

Student2Student hosted a wonderful brunch and program to honor the WHS families that have and currently do serve in the armed forces on Friday, November 10. We continue to be grateful not only for their service, but that they entrust and choose Wylie ISD to educate their students.

UIL Academics

The UIL Academics Team competed at the Texas Tech Fall Fandango last Saturday. Wylie won the Sweepstakes Championship by defeating 41 other teams! Wylie was the only school to accumulate more than 200 total points!

For the fourth year in a row, the Wylie Math Team won the Math Bowl at Texas Tech. They defeated nine large school teams to win division 1 then defeated the small school champion to take Sweepstakes. The team members are Annav Garlapati, Keltie Templin, and Arabella Dlugiewicz. We are very proud of these students and all the hard work they have put in to represent Wylie High School.

The UIL Social Studies team competed in the first Virtual Challenge Meet of the season last week. They placed 2nd in the state out of 92 teams! They were one of only two teams in the state to score greater than 200 points.

Debate

Congratulations to Jett Ratliff, Arturo Garcia, Alex Burkhardt, Carson Wells, and Josh Corrigan for competing at the Region 14 UIL Congressional Debate Tournament.

State Qualifiers:

2nd: Carson Wells (Jr)- Although this is his first year doing Congress, he is in no way new to debate having competed in Policy Debate and qualifying for the regional Lincoln-Douglas Debate. This is his first state tournament and he could not be more ready.

3rd: Josh Corrigan (So)- Josh was one of the presiding officers at this region tournament. This will be his third state tournament after qualifying in Congress last year and advancing to state finals in extemporaneous speaking. This second state qualification of the year and could not be more excited.
