

Small Town Robot: Documentary Viewing & Discussion

MANN THEATRE, BAXTER

Mary Anderson, Joe Brandmeier, Tom Jerome

How does a small rural school district from Northwest Minnesota end up the focus of an award-winning documentary? Learn the story of the students, mentors and community members who come together to support the Greenbush Middle River School District students and FIRST Robotics Team #5172. Mentors will share their story based on relationships, energy, cooperation, commitment to others, personal growth and hands on STEM learning. Presenters will discuss the process and the making of documentary during a question and answer discussion following the showing of "Small Town Robot" featured at the Twin Cities Film Festival. This session includes a special viewing of the documentary and robot demonstration.
