- The PreK enrollment allows for additional students with IEP needs to be added during the school year.
- Kindergarten enrollment projection is based on past trends.
- 1st Grade enrollment always increases from the prior year's Kindergarten enrollment. Families who chose private kindergarten often transfer to Willard for 1st grade. Willard had 16 new 1st graders in 2021-22. That number was used for this projection. We will closely monitor this grade-level during registration for class size.
- I recommend we maintain 4 sections at 2nd grade. This cohort of students attended Kindergarten and 1st grade during the pandemic. Due to the many challenges associated with learning during the pandemic, they have unique academic learning and social-emotional needs that would be best met in smaller class sizes.
