The following Expedited State Waivers are being submitted for consent:

- **Staff Development Waiver**: the *Staff Development Minutes Waiver* provides for a maximum of 2,100 total waiver minutes to use for professional development for districts and charter schools that provide operational and instructional minutes.
- **Modified Schedule/State Assessment Testing Days**: This waiver allows the district to modify the schedule of classes for students who are not being tested to report to and attend school after the state assessment testing period has ended, therefore reducing the interruptions during testing periods.
- **Teacher Data Portal of the Texas Assessment Management System**: Districts that are interested in fulfilling the requirement of TEC, §32.258 to provide teacher access to student assessment data through a local student data system must apply for an expedited waiver.
