Title: Chief Financial Officer

Agenda Item: Consider and take action regarding approving renewal rates with PCAT for auto and liability coverage

CONSENT ITEM

RECOMMENDATION:

It is recommended that the Board of Trustees approve the renewal rates with Property Casualty Alliance of Texas (PCAT) for auto and liability coverage.

IMPACT/RATIONALE:

The District entered into a 3 year interlocal agreement with PCAT last year for auto and liability coverage. There was an increase in premium this year of 7%, but the majority of the increase in premium is due to increased student numbers from 21,150 to 21,600.

The current premium is \$359,057 and the renewal quote for the same coverage is \$384,411. The renewal sheet comparison is attached.

The District continues to implement safety training with both the bus and white fleet staffs this past year to reduce the amount of claims. The training is being provided free of charge by PCAT.

BOARD ACTION REQUESTED:
