Dr. Hampton,

This is a request for disposal of eight automobiles from the Auto classes at both Central and West Campus. These vehicles are beyond their useful life and longer necessary for the class due to excessive wear. This excessive wear comes from 70-200 students disassemble portions of these vehicles many times each school year. As the vehicles do not currently run, their value is limited in scrap metal.

Campus	Make	Model	Color	Registration
Central	Honda	Civic	Silver	VIN: 1HGEJ8646XL016791
Central	Hyundai	Tucson	White	VIN: MK8JN12D45U000512
Central	Ford	Taurus	Tan	VIN: 1FAFP53S0XG210271
Central	Honda	Civic	Black	VIN: JHMEH9698RS006881
Central	Olds Mobile	Wagon	Brown	VIN: 3H35F9R494879
West	Mazda	MX6	Green	VIN: 1YVGE31C7R5165290
West	Dodge	Intrepid	Green	VIN: 1B3HD46F4TF149587
West	Mercury	Cougar	Green	VIN: 1ZWFT61L6X5759853

JTHS currently has thirteen other vehicles being used in each of the three auto shops. Disposing of these eight vehicles will give us additional space to store potential newer vehicles for the programs.

Regards,
