**Re:** High School Principal Report September 2022

---

Greetings from HHS!

The first two weeks of school have been very positive for the high school. We held class elections and introduced our ASB/Class officers to the student body during our school wide PBIS Assembly this past week. This month of September our theme is Respect. We will be handing out “Respect Cards” to students as we identify students demonstrating the “5 respects” identified by our September PBIS Team. Speak respectfully, Behave Respectfully, Respect the School Environment, Respect for your own learning, Respect for other students’ learning.

Our Math team is currently working with the BSU Regional Math center as we look at our current Math pathways, curriculum, and ISAT numbers/strategies for improvement. We are looking forward to the year long support and guidance in hopes to continue to improve our math scores and student experience as a whole.

Homedale’s BPA is having their first meeting on Wednesday, September 7th. We will be talking about possible events to participate in, fundraising, and officer elections. We will be having officer interviews on September 13th. Our team will consist of a President, Vice President, Secretary, Treasurer, and Historian. With that elected officer team we are going to participate in a leadership conference held at NNU on October 6th. Some goals for the year are to participate in local competitions and to compete at the state level. It is also a goal to get at least a few students to participate at Nationals.

Looking forward to a great September!

Matt Holtry
