

Kindergarten Newsletter January 30th-February 2nd

Dear Kindergarten Parents,

Parent Square for Communication: Earlier this school year we launched Parent Square, our new communications platform. Parent Square is how you will receive important information from the school and District, including urgent alerts. If you have not registered yet, please check your email for an invitation link or go to parentsquare.com/signin and verify your contact information.

Valentines Day Cards: We will be celebrating Valentine's Day on Tuesday, February 14th. Please send in 18 valentine cards with your student on that day. We ask that you please **DO NOT HAVE YOUR CHILD ADDRESS THE ENVELOPES.** They should sign them with their names to be given out. If each recipient's name is written on the envelope, it takes too long to pass out. Feel free to address the envelope with something generic like "friend" or you can simply leave it blank. We appreciate your help with this.

Our Learning

We've hit the ground running in Quarter #3! We've been learning how to subtract 2-digit numbers by using an open number line and drawing models.

We're reading a nonfiction passage on animal homes and are learning how to ask and answer questions about it. We're also beginning the process of doing our own informational writing. We have new AR Reading goals for this quarter, which means we have a fresh start and opportunity to work toward reaching those goals by the end of the quarter!

*Thanks for all you do to support your
child's learning. Have a wonderful week!*

January 30-February 2, 2023

Our Valentine's Day Party will be February 14th at 1:00. I'm not asking for additional treats/snacks for this party because many families already attach a goodie to the valentine. If your child would like to participate in exchanging valentines please see the attached list.

Pride Day is Monday, February 6th. Wear your black and yellow to show Madrona Pride!

The attached reading log and math homework is due Thursday. Students who complete and turn in their homework will earn an extra recess.

Please let me know if you have any questions or concerns. I'm here to support you and your child.

Some of this week's skills:

Reading: Read and spell r controlled vowels (ar, er, ir, or, ur). Distinguishing between formal and informal language. Identify a character's traits and feelings. Determine the main idea and key details of an article.

Math: Model the meaning of division. Relate division to multiplication. Calculate division facts. Memorized multiplication facts.

Science: Force and Motion - Use the Scientific Method

Character Trait: *organization kindness*

HOMEWORK POLICY: Students are asked to read 20 minutes every night, record their time, and have a parent sign for full credit. The homework log is turned in every Thursday.

Math and/or Language Arts homework is expected only if a student does not complete their classwork that day. Students will record these assignments on their homework log. These assignments are due the following morning they were assigned.

Students will have a spelling test every other Thursday. (**Thursday, February 9th is the next test**). They can study their spelling & vocabulary words any way they choose, in addition to completing the attached practice pages.

CURRENT FOCUS: We will be discussing "What are the benefits of studying weather?" in our text "Hurricanes: Earth's Mightiest Storms". Inferring/Predicting and studying Text/Graphic Features in Informational Texts are our target ELA skills & strategies. In math, students will continue using representations and strategies to multiply a whole number of up to four digits by a one-digit number, and a two-digit number by a two-digit number using strategies based on place value and the properties of operations.
