Executive Summary

Eyetopia TPA, LLC is registered with the State of Texas as a licensed Third-Party Administrator and is a wholly owned subsidiary of Eyetopia, Inc., a Texas C corporation.

Eyetopia TPA, LLC manages the Membership Fees on behalf of Eyetopia Participating Providers as opposed to being an insurance company.

We have worked with Texas eye and vision care providers to design, implement, market and administer vision plans since 1998. We have been based in the San Antonio area and have contracts for vision benefits around the state of Texas. Your out-of-state employees/dependents are managed through separate agreements with out-of-state networks and providers.

Exceptions and Deviations from the Current Plan:

- 1) We are proposing two plan choices to replace your current choice. Our Standard plan is priced closer to your current monthly rate, our Gold plan is focused on reducing or eliminating out-of-pocket costs.
- 2) We have no minimum participation requirement.
- 3) Our Standard plan has a \$20 spectacle lens copay instead of \$25, and \$130 Frame allowance instead of \$125.
- 4) Our Standard plan has a \$150 contact lens benefit instead of \$100 and the evaluation (fitting fee) can be included in the global allowance instead of a 15% discount regardless of contact lens choice.
- 5) Our Standard plan frame allowance is every 12 months rather than every 24 months.

We have contracts to provide vision benefits to over 282 individual, commercial and government employers including 137 government entities: 13 Texas cities, 10 Texas counties and 114 Texas Independent School Districts. We have maintained continuous contracts with several clients for more than 10 years with some still in force beyond 20 years.

We manage our own panel of ophthalmologists, optometrists and opticians in the Texas market and are personally acquainted with hundreds of Texas eye doctors. We have unique experience with co-management between eye care professionals, eye surgery, vision care and health care as part of our experience in servicing Eyetopia vision plan Members.

We run operations out of our office in Sattler, Texas and work with hundreds of health insurance agents and their staff members that assist with customer service and annual enrollments.

Sincerely,

Kelly Haight, Director of Operations
Eyetopia, Inc.

Stand Out with Eyetopia Vision Plans

1. Maximize Value, Minimize Complaints

No more surprise costs. Our unique structure reduces or eliminates pressure on Providers to sell non-covered extras —translating to greater Member savings and happier Providers.

- ✓ *Standard anti-reflective coating is always included*
- ✓ *Gold Plan covers premium lens materials*

2. Doctor-Driven, Texas-Tested

Our plans are created and backed by hundreds of trusted Texas eye doctors. You're not offering a cookie-cutter vision plan—you're offering one built by the pros who use it every day.

3. Benefits That Go Beyond Prescription Glasses

Employees who don't wear Rx glasses still enjoy value. Think non-Rx sunglasses, blue light glasses, and more. This isn't just vision care—it's lifestyle enhancement.

4. Forward-Thinking Coverage, Not Old Rules

We ditched the outdated 24-month frame rule. We include medically necessary lenses, surgical vision correction, and medical copay integration. Members notice the difference and thank us for it.

5. Medical Insurance Integration for Comprehensive Medical Eye Exams

We help members save money when using their existing *medical insurance* by covering the higher copay when needed. Eliminating out of pocket costs for the exam. It's one more way we cut costs while improving care and one more reason Members love this benefit.

6. Real People. Real Support.

No bots. No voicemail loops. Just fast, friendly, human help. Members get white-glove service, every time.

Eyetopia is the perfect vision solution.

- ✓ Higher value and excellent customer service
- ✓ Loved by doctors, employees, and HR teams alike

Eyetopia Rate Options

100% Voluntary Rates with NO Employer Contributions	130/150 (Standard)	180/300H (Gold)
	Monthly Rate	Monthly Rate
Employee Only	\$8.00	\$19.00
Employee + One	\$14.00	\$38.00
Employee + Family	\$23.00	\$53.00

Rates with Employer Contributions	130/150 (Standard)			180/300H (Gold)		
	Monthly Rate	Employer Pays/Month	Employee Pays/Month	Monthly Rate	Employer Pays/Month	Employee Pays/Month
Employee Only	\$7.00	\$7.00	\$0	\$17.00	\$7.00	\$10.00
Employee + One	\$14.00	\$7.00	\$7.00	\$36.00	\$7.00	\$29.00
Employee + Family	\$23.00	\$7.00	\$16.00	\$51.00	\$7.00	\$44.00

🔑 Eyetopia TPA, LLC encourages Employers to offer a Dual-Option (i.e. both the 180/300H (Gold) and 130/150 (Standard) Plans) to meet the needs of every Employee. The Eyetopia 180/300H Gold Plan offers premium vision benefits and keeps the costs at the Provider's office down to a minimum. The Eyetopia 130/150 Standard Plan is a basic plan and offers standard vision benefits at an affordable monthly rate. Offering both options has increased overall Employee participation and satisfaction.

🔑 Even though we strongly suggest a Dual-Option, it is not required.

🔑 For Vision Plan details, please refer to the Summary of Benefits for the 180/300H (Gold) and 130/150 (Standard) Plan designs in this proposal.

EMPLOYER AGREEMENT:

We hereby agree to disburse the funds allotted for our Employee's participation in Eyetopia Vision Plans. The Employer (Client) shall disburse to Eyetopia TPA, LLC on a monthly basis, the membership fee of each enrolled and eligible Employee. Client will be responsible for collecting the membership fee from the Employee when it is a 100% Voluntary contribution.

This plan is 100% Voluntary, all membership fees are the responsibility of the Employee.

Employer will contribute all or part of the Employee's portion of the membership fees.

Employees shall identify themselves at the time of their appointment as Employees of Client that are eligible to participate in the Plan. The Provider can verify eligibility through Eyetopia's website or by phone. Membership Cards will be provided but are not required to receive service. Membership Card Sample is enclosed as Exhibit.

It is agreed that this program will remain in effect for one (1) year, commencing from the Effective Date noted above and will automatically renew until terminated by either Client or Eyetopia. Either party may, upon sixty (60) days written notice to the other party, terminate the Plan as a whole, in which event, Client will be responsible for the payment of all fees due prior to the effective termination date.

I, the undersigned Employer, do hereby state that a full and complete explanation of the Plan's Fees and Benefits has been given to me, and that I fully accept and subscribe to all the Terms and Conditions contained in this Agreement.

Client assumes no responsibility as to the Plan after notifying Eyetopia of the termination of any Employee.

130/150 (Standard) Plan

January 1, 2025

Mr. John Dough
1387 Sattler Road
Sattler, TX 78132

Dear Eyetopia Member,

Eyetopia has a standing policy that our Participating Providers are the only ones uniquely qualified to help you determine the best lens materials for your prescription and your eyes. In addition, most of the Eyetopia Participating Providers are in private practice and, as such, are known for their innovative and forward thinking. They can incorporate the latest technological advances without going through layers of business management.

We offer two plans to help you meet your personal financial goals. The Gold **(180/300H)** plan costs more per month, but it covers upgrade expenses that most people choose to incorporate and has no materials copay. You can literally walk out of the office with no out of pocket expenses. Glasses can retail for as much as \$500 and still be covered completely by the Gold plan. You also have twice the contact lens allowance as the Standard plan.

The Standard plan **(130/150)** is half the monthly expense as the Gold plan and is recommended for Eyetopia members that do not use their plan every year or prefer keeping their monthly Membership Fees low while understanding that this plan is designed like most traditional vision plans wherein upgrades and extras are paid for by the Member at the time of service.

Eyetopia Plan Enrollment: Remember to list all eligible dependents if you are enrolling for family coverage, regardless of their vision correction needs. You can expect your membership card(s) within three (3) weeks after you enroll.

For your convenience, if you provide an email address at your enrollment you will be invited to register online to view your benefits/allowances, update your information, and print your membership card via our website (Eyetopia.org). If you do not get an invite, please call us at 800-662-8264 to have the invitation link emailed to you. Please also note you do not need your card at the time of your appointment. Our Providers can verify your eligibility through our website, or by phone – just be sure to identify yourself as an Eyetopia Member when you make your appointment.

Lastly, if your preferred Provider isn't on the plan, please let us know and we'll recruit him/her to join. After all, what Provider would not want to participate in "***the perfect vision solution***"?

Sincerely,

Jessica Holman

Employee + One	\$14.00	\$38.00
Employee + Family	\$23.00	\$53.00

Eyetopia Benefits		
Eyetopia provides two vision benefits for each eligibility period. You may have the opportunity to maximize your Eyetopia benefits by coordinating benefits with your Health Insurance coverage.		
BENEFIT ONE ² (choose either one of the following 2 options every 12 months):	Allowance	Co-pay ¹
1. Refractive Exam. One routine vision exam.	N/A	\$5.00
2. Coverage toward medical eye exam co-pay or other services or materials. ²	\$65.00	None
BENEFIT TWO (Has five options: Glasses and Contact lenses or Medically Necessary glasses or Medically Necessary Contact Lenses or Refractive Surgery or Hearing Aids. Available every 12 months. ³		
1. Prescription Lenses ^{3,4}	Allowance Covered	Co-pay ¹ None
Single Vision, Bi-focal or Tri-focal lenses		
• Progressive (no line multifocal) lenses.	\$200.00	None
Lens Materials: polycarbonate, Trivex®, 1.60 or 1.67 index plastic.	Covered	None
• Basic Anti-Reflective Coating.	Covered	None
• High Performance Anti-Reflective Coatings.	\$45.00	None
• Premium Anti-Reflective Coatings with or without blue light blocking.	\$65.00	None
• Blue light blocking lenses (add-on).	N/A	\$50.00
• Tint (Solid and Gradient)	N/A	\$12.00
• Photochromic or polarized lens upgrade	N/A	\$90.00
◆ Medically necessary spectacles. ⁵	\$400.00	None
◆ Anti-Fatigue lenses.	Covered	None
◆ Frame: The member may select any frame on display and is responsible for any amount exceeding the allowance.	\$180.00	None
2. Contact Lens Option. Allowance to be applied toward prescription contact lenses.		
◆ This allowance can be applied toward the contact lens fitting fee and all other charges including follow-up visits and contact lenses. ⁶	\$300.00	None
◆ Medically necessary contact lenses - \$300.00 evaluation allowance and \$400.00 contact lens allowance. ⁷	\$700.00	None
3. Refractive Surgery Option ⁸ in lieu of spectacles or contact lenses. A \$500.00 per eye allowance with contracted surgeons or a \$150.00 per eye allowance with non-contracted surgeons toward the fees for refractive surgery care for the following procedures: LASIK, PRK, ICL or RLE. The member pays any amount exceeding the per eye allowance.	\$500/eye \$150/eye	None
4. Hearing Aid Option. ⁹ If you do not use any of the other Materials options you can elect to apply your benefit toward hearing aids. Current year is a maximum benefit of \$750.00 toward one or both hearing aids. If not used in year 1, the benefit increases to \$1,600.00 in year 2. If not used in Year 2 or Year 1, the benefit increases to \$2,550.00 for Year 3.	\$750 or \$1,600 or \$2,550	None

¹ The co-pay must be paid to the Participating Provider at the time of service.

² When Health Insurance Carriers offer a comprehensive medical eye exam it creates an overlap in benefits for Eyetopia Members. If this occurs, the Member may choose another option under Benefit One as described, no co-pay is required to exercise these other options.

³ If your prescription has changed at least ½ diopter or your eye doctor recommends a change of lenses, you may select one of three vision correction options every 12 months.

⁴ Special Lens Materials and Non-covered Items: Ultra-light, premium PALs, rush service, service agreements, other special lens materials, oversize, other extras and any items not specifically mentioned above may be substituted provided the Member pays any amount exceeding the price of the covered benefit and the Participating Provider's usual and customary fees for the upgrade at the time of service.

⁵ This benefit coverage usually includes an anti-reflective coating and an upgraded lens material.

⁶ If the contact lens evaluation, fitting or dispensing service is performed and the Member decides to use their benefit toward an alternative vision correction option, the Member must pay the cost of the contact lens evaluation, fitting or dispensing service before another vision correction benefit option can be used.

⁷ Total maximum benefit allowance is \$700.00. The Participating Provider must pre-authorize medical necessity.

⁸ Non-covered Items and Exclusions – Facility fees, surgical procedures, medications and enhancements or treatments related to medical procedures.

⁹ To access your hearing aid benefit, you must call us at 830-964-6444 or toll free at 800-662-8264 to arrange for reimbursement. Your out-of-pocket costs will vary based on your choice of hearing aid and your total available allowance.

Exclusions & Limitations

Included Services and/or Eye Wear. Only those professional vision care services and/or vision correction options specifically referenced herein are included in the Eyetopia plan. In-Network coverage is available through Participating Providers. Out of network services are not covered.

Additional Professional Services and/or Vision Corrections. The member may select professional services and/or vision correction items not specifically referenced as included in Eyetopia. However, these services and/or items are the member's responsibility at the Participating Provider's (U&C) charge, payable at the time of service or of ordering.

• CR-39 plastic Progressive (no-line multi-focal) lenses.	\$200.00	\$20.00
• Polycarbonate material upgrade	N/A	\$25.00
• Polycarbonate material upgrade for child dependents (under age 26)	Covered	None
• Basic or standard Anti-Reflective coatings.	Covered	None
• High Performance Anti-Reflective Coatings.	\$30.00	None
• Premium Anti-Reflective Coatings with or without blue light blocking.	\$50.00	None
• Tint (Solid or Gradient)	N/A	\$12.00
• Photochromic or Polarized Lenses	N/A	\$90.00
♦ Medically necessary spectacles. ⁵	\$400.00	None
♦ Anti-Fatigue lenses	Covered	\$20.00
♦ Frame: The member may select any frame on display and is responsible for any amount exceeding the allowance.	\$130	None
Contact Lens Option: Allowance can be applied toward prescription contact lenses each eligibility period.		
♦ This allowance can be applied toward the contact lens fitting fee and all other charges including follow-up visits and contact lenses. ⁶	\$150.00	None
♦ Medically necessary contact lenses - \$145.00 evaluation allowance and \$400.00 contact lens allowance. ⁷	\$550.00	None
3. Refractive Surgery Option. ⁸ In lieu of spectacles or contact lenses. A \$350.00 per eye allowance with contracted surgeons or a \$75.00 per eye allowance with non-contracted surgeons toward the fees for refractive surgery care for the following procedures: LASIK, PRK, ICL or RLE. The member pays any amount exceeding the per eye allowance.	\$350/eye \$75/eye	None

1 The co-pay must be paid to the Participating Provider at the time of service.

2 When Health Insurance Carriers offer a comprehensive medical eye exam it creates an overlap in benefits for Eyetopia Members. If this occurs, the Member may choose another option under Benefit One as described, no co-pay is required to exercise these other options.

3 If your prescription has changed at least ½ diopter or your eye doctor recommends a change of lenses, you may select one of three vision correction options every 12 months.

4 Special Lens Materials and Non-covered Items: Ultra-light, premium PALs, rush service, service agreements, other special lens materials, oversize, other extras and any items not specifically mentioned above may be substituted provided the Member pays any amount exceeding the price of the covered benefit and the Participating Provider's usual and customary fees for the upgrade at the time of service.

5 This benefit coverage usually includes an anti-reflective coating and an upgraded lens material.

6 If the contact lens evaluation, fitting or dispensing service is performed and the Member decides to use their benefit toward an alternative vision correction option, the Member must pay the cost of the contact lens evaluation, fitting or dispensing service before another vision correction benefit option can be used.

7 Total maximum benefit allowance is \$550.00 the Participating Provider must pre-authorize medical necessity.

8 Non-covered Items and Exclusions – Facility fees, surgical procedures, medications and enhancements or treatments related to medical procedures.

Exclusions & Limitations

Included Services and/or Eye Wear: Only those professional vision care services and/or vision correction options specifically referenced herein are included in the Eyetopia Plan.

In-Network coverage is available through Participating Providers; Out-of-Network services are not covered.

Additional Professional Services and/or Vision Corrections: The Member may select professional services and/or vision correction items not specifically referenced as included in the Eyetopia Plan. However, these services and/or items are the Member's responsibility at the Participating Provider's usual and customary (U&C) charge, payable at the time of service or of ordering.

Medically Necessary Contact Lens Allowance	Up to \$252.00
RS Post Op Care (Non-Contract)	Up to \$150.00

Frequently Asked Questions

1. *What makes Eyetopia better?*

Flexibility. We provide flexibility to both the Employees and the Providers alike, therefore, keeping the two most important groups of people happy. We provide flexibility to the Employee by giving them the freedom to choose what kind of frame they want (Eyetopia does not force a small frame selection), and by giving them the freedom to choose whatever kind of contact lenses they want. The Employee can also choose, along with their Provider, the most practical method of Refractive Surgery. Eyetopia offers a benefit on all FDA approved procedures, not just LASIK. Eyetopia does not believe in telling Providers how to best treat their patients. Providers can have spectacle lenses manufactured at any lab they choose, even in their own office if they have an in-house lab. Our Providers are “The Architects” of Eyetopia’s Plans and they tell our marketing/management team how to operate.

2. *Why do you offer two plans?*

Flexibility. Some Employees will just need the Standard 130/150 plan, which provides basic eyewear with all upgrades at an additional cost. It is intended to meet minimum needs. Eyetopia’s 180/300H Gold Plan covers several upgrade options but has a higher payroll deduction. If an Employee discovers that they are paying a lot of out-of-pocket costs at the time of service on the Standard 130/150 plan, they can switch to Eyetopia’s 180/300H Gold Plan at the next enrollment period. This will allow them to spread out their costs for upgrades over the entire next year through payroll deduction.

3. *Is Eyetopia an Insurance product?*

No. It is a non-stock, non-profit Texas Corporation structured as an association of Participating Providers. Each Provider owns an equal portion of the company as long as they continue to participate. This structure allows more Provider input and keeps operating overhead down which equates to better benefits for the Employees and better reimbursements for the Providers.

4. *Is Eyetopia Section 125 (Cafeteria Plan) Eligible?*

Yes. Employers and Employees can choose to have their membership fees deducted pre-tax.

5. *Are there minimum participation requirements?*

No. There are no minimum participation requirements at this time.

6. *Is there an out-of-network benefit?*

No. Since Eyetopia is not an insurance company, we cannot offer an out-of-network benefit. However, we have an “Open Door” Membership policy and will invite any Provider recommended by a Member/Employee to join us. We also have the ability to offer an immediate temporary membership to a Provider to maximize Member/Employee convenience as needed.

7. *Do you have a website?*

Yes. You can find us at www.Eyetopia.org. To locate a Provider nearest you, click on “Provider Search” button under the Member tab. Our Providers can also log online to check a Member’s eligibility and benefit coverage.

8. *Can I keep my membership in Eyetopia when I change employment or retire?*

Yes. Eyetopia offers Individual Plans with direct billing.

CLEARPATH DS-120™

In the U.S. there are about 25.8 million people with diabetes and another estimated 79 million with pre-diabetes. **90% of those with pre-diabetes don't know they have the condition.**

PRE-DIABETES SCREENINGS ARE PART OF THE SOLUTION.

Your Number One Vision Plan Choice in Texas

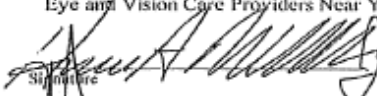

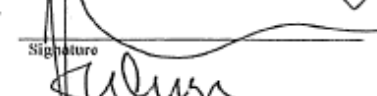

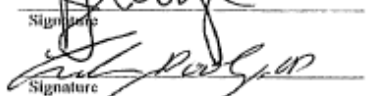

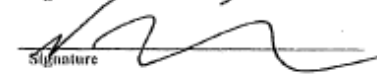

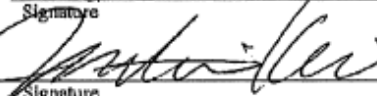

As Texas Optometrists, Ophthalmologists and Opticians we urge those evaluating vision benefits for their employees to seriously consider allowing their employees and their dependents access to Eyetopia vision plans (Standard and Gold).

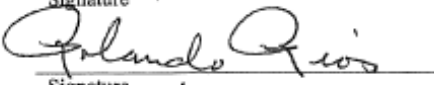

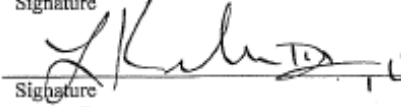

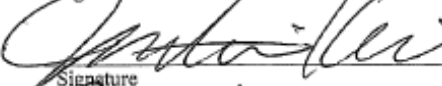

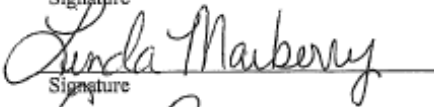

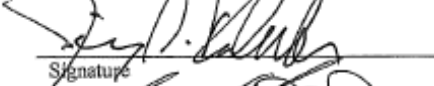

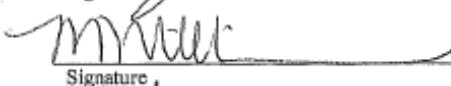

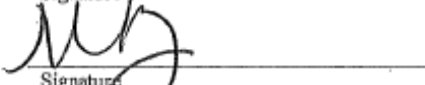

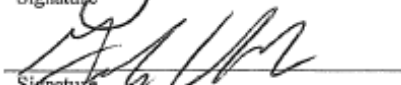

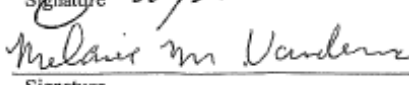

Eyetopia is a Texas based vision plan operating in accordance with the Texas Insurance Commission, Third-Party Administrators (TPA) Section. Their unique operating structure maximizes your employee's vision benefits and streamlines eligibility verification and Participating Provider reimbursement processing.

Their balanced business plan was designed by Texas doctors back in 1998 with the goal of keeping the doctor/patient relationship intact. Eyetopia TPA operates on a fixed administration fee of 10% with all the remaining revenue used to maximize benefits and expedite reimbursements. We know of no other vision plan in the state that can compare to their quality of available products, benefits, and customer service. Among doctors surveyed they have the best customer service rating of all the vision plans in Texas.

Sincerely,

Eye and Vision Care Providers Near You

The screenshot shows the Eyetopia website interface. At the top left is the Eyetopia logo with the tagline "The perfect vision solution". To the right are navigation links: HOME, MEMBERS, EMPLOYERS, AGENTS, PROVIDERS. The main banner area features the heading "EYETOPIA MEMBERS" and two buttons: "MEMBER LOGIN" and "PROVIDER SEARCH" (which is circled in red). Below this is a green announcement: "NEW! You can now use your Eyetopia contact lens benefit online. You will only be charged the amount over your benefit allowance. Your Eyetopia Provider is notified when the prescription is filled." Below the announcement is a button for "ONLINE CONTACT LENSES".

The "OUR MEMBER BENEFITS" section is titled "Why do our members think we are perfect?" and lists three benefits, each with an eye icon:

- WE LISTEN:** We listen to you, the Member. You will get a live person when you call. No machines to keep you on hold, no automated answers to your questions.
- NO LIMITATIONS:** You are unique, we maximize benefit flexibility to help meet your personal needs and circumstances. You forgot your Membership card, no problem, our Providers can look you up online with just your name and date of birth.
- OUR BENEFITS:** We are first to cover all FDA approved refractive surgeries. We offer the Shaw Lens to those who need it. We include premium AR coatings to protect your high definition lenses with no out of pocket costs.

Please visit our website, www.Eyetopia.org, and click on “PROVIDER SEARCH” to find a participating Eye Care Provider nearest you.
