Dear Mr. Lee:

This letter is in response to your electronic *Freedom of Information Act* (FOIA) request received in my office on November 26, 2023.

**REQUEST:** A) *“RECORDS REQUESTED: I am doing public research and would like to request your latest IAQ and Environmental Testing for your schools. I am seeking the actual report that includes mold spore sampling data for each of your schools. I understand if certain floorplan info needs to be redacted from the reports and I pre-accept these redactions as you see required. If you have not ever conducted any IAQ and Environmental Testing for your schools, you can let me know in your response accordingly.”*

**RESPONSE:** Please see attached. Please note we have never had an IAQ test performed at Roosevelt Middle School.

**REQUEST:** A) *“RECORDS REQUESTED: I am doing an IL State Wide request using a public database of contacts for IL, so if you have already received this request and responded, please go ahead and let me know. I apologize for any redundancy, but I learned of this public database method after I made the requests individually with about 20 school districts in Illinois.”*

**RESPONSE:** Please see attached.

As Superintendent of the District, I am responsible for granting and denying the requests for records under the Freedom of Information Act. Please be aware that this response to your request is pursuant to my understanding of your FOIA request.

If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Edward J. Condon, Ph.D.  
Superintendent

Hi,

I am doing public research and would like to request your latest IAQ and Environmental Testing for your schools. I am seeking the actual report that includes mold spore sampling data for each of your schools. I understand if certain floorplan info needs to be redacted from the reports and I pre-accept these redactions as you see required. If you have not ever conducted any IAQ and Environmental Testing for your schools, you can let me know in your response accordingly.

I am doing an IL State Wide request using a public database of contacts for IL, so if you have already received this request and responded, please go ahead and let me know. I apologize for any redundancy, but I learned of this public database method after I made the requests individually with about 20 school districts in Illinois.

I have attached an example mold test report (page 26) to help provide you an understanding of the type of reports and data I am requesting.

Thank you,

Patrick Lee
