Academic

Data

We are very happy that we were able to test 89% of those students that we needed to progress monitor. Those students that made gains on their ISIP scores received a gift card. I am also very excited to say that 17% of the students progress monitored moved into Tier 1. We met the goal of our action plan in 1 month. I am hoping the students continue their upward progress. I have asked teachers to inform students that if they maintain their Tier 1 status, increase a Tier or improve by 150 points they can go on an incentives trip on May 17th

at Browning Public Schools - 2018/2019 School Year

All Grades - April 2019

Gus Garces lead out PD twice this month. His students presented their work in Missoula at the Global Education Conference and their project Unreserved in Lewistown. The first presentation focused on Project Based Learning and the second on Close reads. Gus and students did a wonderful job. As part of our move towards wellness, Wilma Mad Plume, Ross DeRoche, Bobby Miller and Leo Bull Child presented on wellness. This was inspiring because we all need to work on our wellness. Brenda Johnston shared a Gallery walk lesson her students completed on a novel that she was having them study. It was so good.

Our consultant Angelee was up and we met with each of the departments regarding our Better Learning book study in Google Classroom. Staff were able to share out what they learned. I am very excited about the progress of our staff and students.

Happenings

We had an eventful month. April ended with our National Honor Society Inductions. Thanks to Gus Garces, Melody Small, Quentin Miller and Myndi Gallagher-Horn for making sure the event was a success.

On April 24th BHS hosted the Farm to School meeting. Thanks to Rick Hagberg and JoAnne Grandstaff for working with this group

We had our ACT, ACT make-up and Pre-ACT. Most Juniors and Sophomores took the assessments. Thanks to Melanie Magee, Bill Huebsch, Cinnamon Crawford, Kathy Broere, Tammy Reagan-Hall, Glenda EagleFeathers and Joe Jessepe for making this happen. It was a lot of work.

On April 25th, we had our Litreacy Night. Awesome job to Bobby Miller and Ross DeRoche for organizing this. They had many of the tribal health and safety programs present. We also had a recent graduate and Marine, Preston Racine presenting an obstacle run. It was tough.

Our seniors had their portfolio presentations on April 27th. We have 59 seniors present to BPS staff and community members. It is always a rewarding experience to see what these young men and women have learned while at BHS. Thanks to the custodians for setting up the rooms, to Mr. Garces and Mr. Quentin Miller for helping with the Mock presentations, to Matthew Johnson for the judges' training and to our cooks, Josephine Wagner and Myndi Gallagher-Horn for the delicious meal.

Thank you to our judges:

Last but not least, Thank You to Cinnamon Crawford for taking the lead in organizing the event.

Challenges

We are continuing to monitor our single lunch period. (i.e. tardies) and tardies in general. Not including the tardies to advisory, we had a total of 5, 326 tardies for the 1st semester of school. From January 23rd to April 19th we had 4, 258. Getting students to class on time continues to be an issue.

If you have any suggestions or ideas please don't hesitate to contact myself, Mr. Heubsch or Mr. Parrent. We want to provide the best educational experience for our students.
