

**GOVERNING BOARD AGENDA ITEM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

DATE OF MEETING: September 10, 2013

TITLE: Update on Override Expenditures

BACKGROUND:

We are now in the fourth (4th) school year of the Maintenance & Operation (M & O) override that was renewed by the voters on November 3, 2009. This has allowed Amphi to advance those issues identified in the original ballot measure originally passed by the voters on May 17th 2005.

The categories of the Override include: maintaining and lowering class size; enhancing art, music, and physical education at the elementary level; expanding electives at the middle and high schools; expansion of Advanced Placement programs in our high schools; introduction of the rigorous International Baccalaureate (IB) Program at CDO; maintaining academic assistance and intervention programs for students; maintaining support of school facilities and equipment; and, continuing efforts to attract and retain staff.

Mrs. Monica Nelson will provide an update on these categories to the Board.
