ADDITIONAL INFORMATION AND/OR BACK-UP:

House Bill 2, Article V, approved in the 89th Legislative Session, requires the commissioner to adopt lists of reading and mathematics instruments for districts to use at the beginning, middle, and end of year in kindergarten-grade 3 to measure foundational literacy and numeracy skills. HB 2 permits a school district to comply with the requirements to administer these instruments by administering a reading or mathematics instrument selected by the board of trustees of the district until the commissioner adopts the list of reading and mathematics instruments.

Until the commissioner adopts a list of reading and mathematics instruments, SBISD will utilize the following to measure foundational literacy and numeracy skills:

SBISD Reading Screeners, K-3: Circle KPM, Amira, Oral Reading Fluency

SBISD Math Screeners, K-3: Early Numeracy Progress Monitoring, IXL
