BE EXCELLENT

February 2023 School Board Report

Spelling Bee

The second annual Frederic Elementary Spelling Bee was held on January 10th. The finalists consisted of twelve students which included six 5th graders and six 4th graders. Finalists were selected through a process in which they studied a list of fifty words and completed a spelling test. The twelve students were selected based on scoring. We had three students that made it to the finals. Out of those three, one student advanced to the CESA 11 Spelling Bee that will take place on February 9th in Turtle Lake.

4th & 5th Grade Growth Reward

The 4th and 5th grades continue to compete and challenge each other by homerooms. This time they were competing to show which homeroom had the most growth on their iReady testing taken in January. The goal was to have made over 50% growth at the midpoint of the school year. Both 5th grade classes met this goal-Mrs. Maier at 82% and Mr. McNaughton at 78%. They enjoyed a "sweet" treat to celebrate their success.

Little Vikes Camp

Planning is underway for our Little Vike's Camp that will take place on Friday, February 24th. Little Vike's Camp is a great way for families to learn about their child's development and growth. All children that participate will be screened in the following developmental areas: social/emotional, motor skills, speech/language and problem-solving.

4K Round Up

The Early Childhood/SPED teams are also planning our 4K Round Up that will also take place on Friday, February 24th. Parents will be able to meet and schedule individual meetings with the 4K team. Students will be able to spend the morning in a 4K classroom. They will get the full school experience--from classroom learning activities, eating lunch in the cafeteria, and even getting on board a school bus!
