RATIONALE: For a day when school was held and the district had at least one student present in remote conferencing (as defined by SAAH 12.3.1 and 12.3.2) at the district (if a district-wide request) or applicable campus (if a campus-level request) but attendance was at least 5 percentage points below the overall average attendance rate for the district or the applicable campus for the prior year because of issues related to weather, health, or safety, the district may apply for a waiver to have the day excluded from ADA and FSP funding calculations.
