

## PROBATIONARY TEACHERS

1

The probationary period is through the first three (3) consecutive years of a teacher's first teaching experience in Minnesota. After initial probationary period is completed, probationary period is one year in a new school district. A probationary teacher must complete at least 120 days of teaching service each year during the probationary period. Days devoted to parent-teacher conferences, teachers' workshops, and other staff development opportunities and days on which a teacher is absent from school do not count as days of teaching service

2 A minimum of three written evaluations are required during each year of probation. The first evaluation must occur within the first 90 days of teaching service.

3 Written notice prior to July 1 is required to terminate a probationary teacher contract.
