

## **ALEDO ISD BOARD MEETING TEMPLATE**

**MEETING DATE:** March 22, 2021

**AGENDA ITEM:** Consider Approval of Purchase of Playground Equipment for Annetta Elementary School

**PRESENTER:** Earl Husfeld, Chief Financial Officer and Tyler Boswell, Director of Construction and Facilities

**BACKGROUND INFORMATION:**

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- As you are aware, construction of Annetta Elementary School (AES) was included within the District's 2019 Bond Program.
- Included within this project cost were funds allocated for the purchase of materials and equipment to outfit this building to the same standard as the District's other elementary schools.
- For the past several months, district staff have undertaken the process of discussing and evaluating the playground equipment options for the two (2) playground areas at AES.
- For your review, the following pages provide a detailed overview of the playground equipment being recommended for AES.
- Incorporated into these designs are a variety of "stations" that are accessible for all students.
- To ensure the best pricing and value, the District utilized the TASB BuyBoard purchasing cooperative to obtain this quote from Lea Park & Play, Inc.

**FISCAL INFORMATION:**

The total amount of \$208,179.24 is within the projected FF&E budget and will be paid with 2019 bond funds allotted for Annetta Elementary School.

**ATTACHMENTS:**

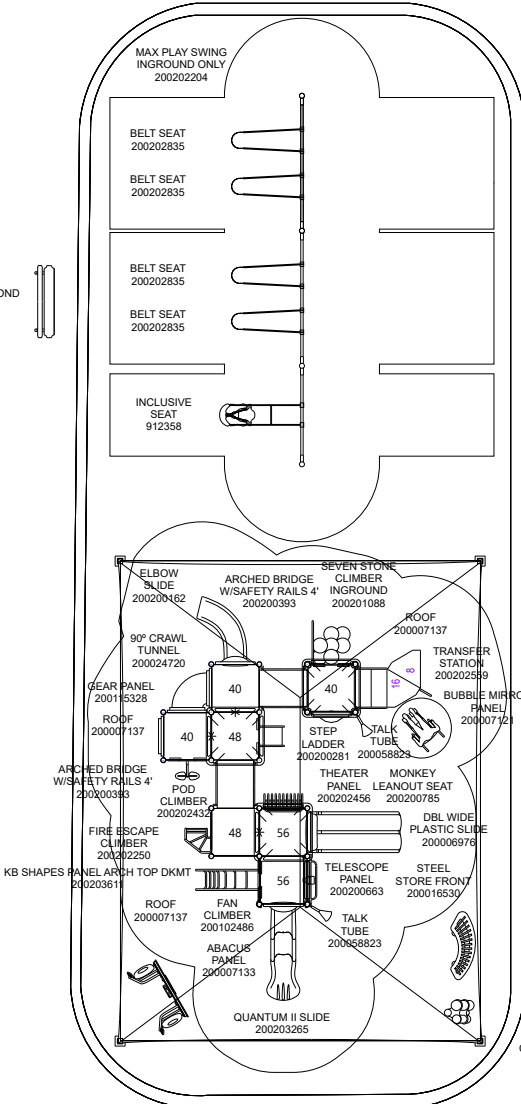

Quote from Lea Park & Play, Inc. for Annetta Elementary School Playground Equipment

**ADMINISTRATIVE RECOMMENDATION:**

The Administration recommends the Board of Trustees approve the quotes submitted by Lea Park & Play, Inc. for the purchase and installation of playground equipment for Annetta Elementary School as presented.
