

Navarro ISD Board Report

High School Board Report for February 2025

Written on Feb. 11, 2025

Enrollment of as Feb. 10, 2025

Fr: 191
So: 188
Jr: 166
Sr: 157
Total: 702

Counselors are working double checking student personal graduation plans and our course selections for next year. Once that is complete, we have numbers based on classes for what we need next year by the end of February.

Based on what we know so far (three resignations for retirement for teachers, one counselor, and an asst. Coach is taking a head coaching job), we will have these jobs posted soon and interview before or right after Spring Break.

Friday, February, 14 was the end of the 4th six weeks. This means that powerlifting, tennis, golf, One Act Play, Baseball, Softball, basketball playoffs, UIL Academics and FFA competitions are going on. I may have even left something out. Spring is a very busy time.

Now that the new Athletic Director and Head Football Coach, Glenn Hill has started, one of the top things we are looking at is the timing of the athletic periods during the day. These conversations are being held with Coach Hill, Mrs. McMullen, Ms. Beutnagel, and Mr. Scarborough.

UIL Cross Examination duo of Sofia Castillo and Daniel Glinn are headed to state after earning a bronze medal at their district competition.

A couple of Saturdays again, the Panther Band competed at the UIL Solo and Ensemble Contest and 23 members of the grandest band in the land will move on to state.

Saturday, February 8th eight Navarro Panthers competed at the VASE regional competition and two of them, Margaret Kotzur and Kayley Thomas advanced to the state round.

Upcoming Schedule:

Mon	24	Board Meeting
-----	----	---------------

Navarro ISD
