Substitute Pay Rates 2008-2009

**SUGGESTED SCHOOL BOARD ACTION:**

Recommend Board approval of the 2008-2009 Substitute Pay Rates.

**DESCRIPTION:**

Each year District 877 approves the substitute pay rates that will be used for the ensuing year. The listing of these rates is attached.

There is one change from last year. We are recommending that the Homebound Instruction rates be changed from \$24 to \$25 per hour for less than 8 miles and from \$26 to \$27 per hour for over 8 miles. This keeps the rates close to similar positions in the master contract.
