BACKGROUND INFORMATION: This agenda item is to acknowledge and discuss the Texas School Safety Center Intruder Detection Audits that were recently conducted at our campuses. The audits test whether a campus is accessible to an unauthorized individual. These audits, conducted as part of Governor Abbott's school safety directives for all school systems, seek to help districts identify how campuses can improve safety for students, such as ensuring exterior doors are locked. The audit provides us with an opportunity to create a safer learning environment for our students and staff.
