

# Proposed Amendment to 2023-2024 Calendar

Last Student Day

# Proposed Change

- Last Student day is currently, a ½ day on Friday, May 31
  - This was built in to provide enough extra days if we had a tough winter like last year
    - Currently have 2 standard closure days left and all 5 e-learning days
  - This is also graduation
- Proposed Last Student Day, Thursday, May 30
  - Teaching Staff would still work a full day on May 31
