GOVERNING BOARD AGENDA ITEM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10

DATE OF MEETING: January 24, 2017

TITLE: Approval of New Course Names for High School CTE Courses: "Computer Applications and Cyber Security" and "Computer Applications and Cyber Security II/Discrete Math"

BACKGROUND:
The District's three high schools are requesting name changes for their CTE courses currently called "Computer Applications and Design" and "Computer Applications and Design II/Discrete Math". The new names of the courses will be "Computer Applications and Cyber Security" and "Computer Applications and Cyber Security II/Discrete Math". The new names allow us to highlight the focus the courses have on cyber security.

RECOMMENDATION:
The administration recommends the Governing Board approve these new course names.
